

PIs considering limited submission funding opportunities should contact SPAdmin as soon as possible, no later than ***two months before the deadline***.

If more than the eligible number of PIs notify SPAdmin of their intent to submit, SPAdmin will coordinate with the Vice Chancellor for Research office to determine the applicant(s) one month before the deadline.

If all of the PIs are in the same college, the Dean of that college will make the determination.

PIs who notify SPAdmin of their intent to submit less than two months before the deadline will be considered if no other PI has been determined.
