

RSS Advance Account Guide

revised 09/21/2026

Consider requesting an Advance Account if you need to incur expenses on a sponsored project for which funding is anticipated.

- Log into RSS: <https://net.unmc.edu/rss/home.php>
- Click **SPA/UNeHealth | Manage Grants/Contracts | Internal Forms - Search**

- Click **OK**

Form to Add

☐ Routing/Budget

☐ Supplement

☐ Advance Account

Click OK to confirm the Forms selected above. To Cancel any actions, click the X.

OK

- Provide the following information:
 - Your Sponsored Programs Contact
 - Your Department
 - Your Alternate Cost Center (a 31-, 33-, or 37-)
 - If funding isn't awarded, you will move any expenses onto this account
 - The proposal for which an Advance Account is requested
 - Requested Begin Date – please note:
 - It cannot be later than the Begin Date of the proposal selected
 - A 90-day pre-award spending period is automatically calculated but can be overridden
 - Justification for why an Advance Account is needed
 - The Cost Elements you would like to charge
 - Whether there will be any Comparative Medicine charges
