

Introduction

For assistance outside the scope of this manual, contact the UNMC NURamp Support Team by email at nuramp-support@unmc.edu.

About Internal Competitions

Internal Competitions is a module in the NURamp application which can be accessed at nuramp.nebraska.edu .

It is used for submission and review of internal grant competitions, including pilot grants and University-wide grant initiatives.

Accessing Internal Competitions

Do not use Internet Explorer when accessing NURamp. Internet Explorer is not considered to be a "modern" browser, and won't work correctly with a number of web applications, including NURamp. Instead, use Mozilla Firefox, Microsoft Edge, or Google Chrome.

After logging in using your UNMC NetID and password, you can access the Internal Competitions module by clicking the menu icon in the top menu bar. Then, select "Internal Competitions", "Applications".
